Cancellation and other charges

Assessu will charge centres a **£10 admin fee** where incorrect details have been provided for an Apprentices final Apprenticeship Certificate, and a replacement certificate is required to be ordered via the Apprenticeship Service.

Where the apprentice has not met the gateway requirement and the subsequent planning meeting is cancelled by Assessu, no fee will be applied. The planning meeting will be re-scheduled as soon as Gateway requirements are confirmed by Assessu.

Where planning meetings are cancelled by the apprentice, training provider or employer for any reason that were due to take place within the following 5 working days of Assessu being notified in writing, Assessu will charge **£50** for cancellation and re-schedule the planning meeting.

Cancellations by the apprentice, training provider or employer

Where any assessment activity is cancelled, all subsequent assessment activities will be cancelled. Charges may apply as follows.

Where assessments are cancelled in writing that were due to take place over 5 working days notice, there will be no charge.

The following charges will apply to all assessment activities cancelled within 5 working days of an assessment. This includes where the assessment activity is cancelled at the time of the assessment due to:

- non-attendance by the apprentice;
- the apprentice not being able to carry out their assessment;
- failure by the apprentice to submit written work by the agreed date; or
- written work not meeting requirements and is therefore deemed invalid.

Assessment activity	Cancellation charge per assessment activity
Remote exam	£50
Face to face exam	£100
Assessment or review of written work e.g., portfolio or project	£150
Remote assessment	£200
Face to face assessment	£250
